## 1. Sales Charges

Sales charge option	What you pay		How it works	
Front End Sales Charge	Up to 5.0% of the amount you invest		You and your advisor decide on the rate     The initial sales charge is deducted from the amount you invest. It is paid as a commission

The sales charge schedule will be based on the date you invest in your first fund Any sales charge you pay goes to Manulife	
No Load Sales Charge	There are no charges to you.		Your servicing advisor may have to return a portion of the commission to Manulife if you sell units within the first 2 or 4 years from deposit, depending on the applicable chargeback schedule.	

<sup>\*</sup> Low Load sales charge options no longer allow new deposits, subsequent deposits, new or existing PACs or switches in from other sales charge options. Switches within the same sales charge option are permitted. Existing investments in these sales charge options will remain invested and the existing sales charge schedule will apply to any withdrawals.

## 2. Ongoing Fund Expenses

The management expense ratio (MER) includes the management fee and operating expenses of the fund and, if applicable, any underlying fund(s). The MER includes the insurance cost for the guarantee. You don't pay these expenses directly. MERs and guarantee fees affect you because they reduce the return you get on your investment. For details about how the guarantees work, see your Information Folder and Contract.

Guarantee option	MER (Annual rate as a % of the fund value)	Management fee (%)	
MPIP 75/75 Front-end/No-load	2.30	2.02	
MPIP 75/75 Low-load	2.52	2.21	
MPIP 75/100 Front-end/No-load	2.69	2.41	
MPIP 75/100 Low-load	2.91	2.61	

#### **Trailing commission**

Manulife pays a trailing commission of up to 1.00% of the value of your investments each year for as long as you own the fund. It is for the services and advice your advisor provides to you. The trailing commission is paid out of the management fee. You don't pay these expenses directly. The rate depends on the sales charge option you choose.

## 3. Other Fees

Trading Fees are paid to Manulife.

Fee	What you pay		
Frequent Trading Fee	2% of the value of units you trade for switches exceeding 5 per year.		
Early Withdrawal Fee 2% of the value of units you sell or transfer within 90 days of buying them.

You can also change your mind about subsequent transactions you make under the contract within two business days of the earlier of the date you received confirmation or five business days after it is mailed. In this case, the right to cancel only applies to the new transaction.
