± For illustration purposes only.

* Represents UL management fee.

The returns shown and credited to your account on business days will be the daily change in the unit value of this Mutual Fund, deferred by one business day, plus an enhancement of 0.004% per business day (approximately 1.00% per year).

Source for all data: Transmission Media, as at June 30, 2025. Performance histories are not indicative of future performance.

Returns shown are after the MER/UL fee has been deducted. The Growth of \$10,000 chart shown is used only to illustrate the effects of the compound growth rate and is not intended to reflect future values. The performance of the CI Canadian Investment Fund does not mean that the CI Canadian Investment Account (MUL) will provide the same returns. The Manufacturers Life Insurance Company is the issuer of all Manulife universal life contracts and the guarantor of any guarantee provisions therein. The index is unmanaged and cannot be purchased directly by investors. Manulife, Manulife & Stylized M Design, and Stylized M Design are trademarks of The Manufacturers Life Insurance Company and are used by it, and by its affiliates under license. The information in this document is subject to change without notice. For the designated fund, commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Please read the fund facts as well as the prospectus before investing. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.
